SPECIAL EVENTS

Workshops/Seminars

Workshops, seminars and special interest sessions will be scheduled throughout the International Career Development Conference. A special Flash Report will be devoted to the workshops, seminars and special interest sessions at ICDC.

Parade of State/Provincial Flags

One of the highlights of the Grand Opening Session will be the Parade of Flags. Each state/provincial advisor will be requested to select **ONE** participant to represent your state/province during the Parade of State/Province Flags. The representative will be **required** to wear the official DECA blazer with business attire to the opening general session and to be present during the rehearsal. Any state/provincial association not represented during rehearsal will not be permitted to have their flag posted during any of the conference sessions.

State/Provincial Association Meetings

State/Provincial associations are urged to hold meetings to brief all delegates on conference activities, rules/regulations, changes in program, etc. State/Provincial advisors must make arrangements for meeting locations since hotel facilities are not adequate to schedule 55 state/provincial association meetings at one time. State/Provincial advisors must request meeting facilities by contacting the hotel staff at the assigned hotel. Meeting facilities will be assigned on a first-come, first-served, space available basis. States that are unable to meet at the assigned hotel may contact Shirlee Kyle at shirlee_kyle@deca.org to request meeting space at the exposition center.

Event Participation Report

Please complete the attached form providing competitive event information from your state/provincial conference. This information is very important as it informs the Secondary Program Advisory Council and the Competitive Events Task Force and assists in making revisions to the competitive events program. Please return to Shirlee Kyle at DECA Inc. by **March 30, 2009**.
